ULTIMATE BEVERAGE CHALLENGE 2020

IDENTIFYING THE WORLD'S BEST SPIRITS LIKE NO OTHER COMPETITION

The *Ultimate Guide to the World's Best Spirits* features the highest-scoring results from Ultimate Beverage Challenge's® (UBC) major international beverage competition held in 2020: **Ultimate Spirits Challenge®**.

Why has UBC become the beverage industry's most trusted and respected evaluation company? Answers UBC's Judging Chairman and Co-Founder **F. Paul Pacult**, "Three crucial factors have made UBC the world's foremost authority on beverage alcohol quality.

"First is our rigorous, innovative methodology that creates a level playing field for every product entered into USC. This includes a unique multi-level evaluation system that allows more than one panel to analyze each entry, entries served at optimum temperatures, and staging only small flights of 2 to 8 beverages so the judges remain alert and fresh. Our goal is to provide unbiased, accurate ratings through a meticulous series of analytical steps.

"Second, because of our uncompromising and stringent procedural standards we hire the world's foremost authorities as our USC judges: our generation's most prominent and acknowledged beverage specialists, such as award-winning authors and journalists, consultants and buyers, bartenders, bar owners, and food and beverage managers.

"Third, UBC has its own dedicated evaluation facility. By creating a pristine and conducive environment for our staff and judges we

have advanced the entire concept of beverage competitions. The UBC Evaluation Center provides brick-and-mortar proof of UBC's total commitment to doing things right. It's the UBC way, where shortcuts are never allowed."

To get the most accurate results it takes seasoned veterans on the judging and preparation teams, the ideal analytical environment, and the most up-to-date methodology. If these reasons aren't enough for you to believe in UBC as being the world's finest beverage competition company, visit the UBC website for more information at ultimate-beverage.com.

At **Ultimate Spirits Challenge®** (USC) the quality rankings for every category for spirits are determined with uncommon skill and precision by all-star Ultimate Spirits Challenge judging panels convened by USC Judging Director **F. Paul Pacult**, whom **Forbes.com** called, "...America's foremost spirits authority..." and just this year **IMBIBE Magazine** hailed as being "...an all-knowing spirituous oracle, a J.D. Power of liquor..."

Super-star judges include: **Tad Carducci, Tim Cooper, Leo DeGroff, Meaghan Dorman, Tess Rose Lampert, Clay Risen, Francis Schott, Joaquín Simó, Charlotte Voisey, and James Conley**. Said Pacult, "My careful selection of the world's leading spirits authorities, journalists, buyers, restaurateurs, bar owners and influencers as USC judges ensures that USC's results are credible."

JUDGING: Tasting flights are narrowed so that all products are evaluated like-with-like.

SCORES & ACCOLADES: These results represent all products that scored 90 points and above (out of a maximum score of 100 points).
